Final Forms Sign Up Info

<https://columbus-oh.finalforms.com/>

The **ONLY** form that you are still required to actually print, complete and file in the Athletic Department is the actual OHSAA Physical form. The physical form must be completed by the doctor and by law, we are required to have a signed copy on file. Once your student's physical is received by the athletic department we will input the expiration date into FinalForms and then you will receive automatic notifications when your student's forms need to be updated.

Click on the Parent Registration guide to get started in FinalForms. This link is available below.

We are asking that ALL student-athletes use FinalForms. Even if your student's current physical paperwork does not expire until after the new school year begins, please register at

<https://columbus-oh.finalforms.com/> now and electronically complete all the forms!

Once on the site, Click "New Account" under the parent icon. After you have confirmed your registration you are ready to add your student-athletes. You will need the following information for the children you are registering:

- Basic Medical History & Health Information
- Insurance Company & Policy Number
- Doctor & Dentist Contact Information
- Hospital Preference
- *Email Address for BOTH you and your student*

After your initial setup, you will not have to complete this information again. You will only need to update the site if you have a change in the above information.

If help is needed, please click the link to the "Parent Playbook" on our site.

Thank you for your assistance in streamlining our paperwork process.

Students Athletes PLEASE USE your PERSONAL EMAIL ADDRESS, SOMETIMES YOUR SCHOOL EMAIL ADDRESS DOES NOT WORK.
