

How to Use Rosetta Stone From Home

- To enroll students or if you have any questions regarding Rosetta Stone contact Milot Thaci by email at mthaci1292@Columbus.k12.oh.us.
- Once the students are enrolled you will be given the student's username and their password as well as your login credentials as a teacher.

Logging Students in Rosetta Stone on the Computer

- To login to Rosetta Stone go to the ESL Website and click on the Rosetta Stone Icon as shown below, or click on this link www.ccssoh.us/esl

The screenshot shows a web browser window displaying the Columbus City Schools ESL website. The browser's address bar shows the URL ccsoh.us/esl.aspx. The website header includes the Columbus City Schools logo and navigation links for 'Enroll Now', 'Jobs', 'Newsletter', and 'Vendors'. A red navigation bar contains links for 'Our District', 'Board of Education', 'Students', 'Families', 'Community', 'Staff', 'Departments', 'Stay Safe CCS', and 'News'. On the left side, there is a vertical menu with links: 'Contact ESL', 'ESL Parents', 'ESL Students', 'ESL Forms', 'Translated Vital Documents', 'ESL Schools', 'Teachers and Staff', and 'ESL Software'. The main content area features a colorful graphic with various greetings in different languages (e.g., 'Hello', 'Namaste', 'Qanuiipit', 'Merhaba', 'Xin chào', 'Sholem', 'Selam'). Below this graphic, a welcome message reads: 'Welcome to the official webpage for the Columbus City Schools English as a Second Language program. Here you will find useful information about our schools and our program, as well as links to other sites that will be helpful to parents, teachers, students, and others. Address 3700 S. High St. Columbus, Ohio 43207 Phone: 614 365 8802 - Fax: 614 365 8786'. Two links are provided: 'Click here to visit our ESL Google site' and 'Click here to view CCS information about COVID-19'. At the bottom, a note states: 'Rosetta Stone is available for all ESL students to be used from home. Please contact Milot Thaci with if you want to enroll your students or if you have any questions.' On the right side of the page, there is a penguin icon representing Rosetta Stone, with the text 'Rosetta Stone' below it. A red arrow points from a red-bordered box on the right towards this icon.

Help your student get more out of the classroom by bringing language learning home.

Rosetta Stone® Language Lessons language-learning solutions engage students so they learn naturally, speak confidently, and stay motivated—even at home. Learning a new language takes practice and our solution helps students build on what they're learning in school. Homework has never been so fun.

HERE'S HOW TO GET CONNECTED TO ROSETTA STONE ONLINE:

Open your preferred web browser: Internet Explorer, Firefox, or Safari.

Type the school's Rosetta Stone Language Lessons portal URL into the address bar of your browser window.

NOTE: If you have Parental Controls enabled, Rosetta Stone Language Lessons will not function properly on your computer.

Accessing the Rosetta Stone® program from home.

Log into Rosetta Stone on a computer.

- A** Enter student's **USERNAME** and **PASSWORD** on the home page and click **"Sign in"**.

- B** Click **"Launch Rosetta Stone"** once student successfully logs in.

- C** Follow the onscreen instructions to launch the language program and calibrate the microphone.

- D** Watch your student enjoy **learning a new language in a new way.**

Accessing the Rosetta Stone® program from home.

Download Learn Languages with Rosetta Stone onto a mobile device.

The Learn Languages mobile application can be downloaded onto select Apple®, Android™, Nook®, and Kindle Fire™ devices. For more information about system requirements, please visit our online Support Portal at support.rosettastone.com.

Downloading the app from your mobile device:

- A Open the App Store on your device.
- B Search for **“Rosetta Stone”**.
- C Tap on the **“Learn Languages with Rosetta Stone”** icon. 
- D Tap the **“Install”** or **“Get”** button to download the app to your device.

Downloading from the iTunes Store (Apple devices only):

iTunes needs to be installed on your computer before downloading the Learn Languages application.

- A Connect your device to a computer using a USB cable.
- B Open iTunes and type **“Rosetta Stone Ltd.”** into the Search Store field.
- C Locate the Learn Languages with Rosetta Stone application and click on it.
- D Click on the **“Get”** button and then **“Install”** when you’re ready to download the application.
- E Sign-in to download from the iTunes Store.
- F Select your device in the iTunes window and “sync” your device.

Accessing the Rosetta Stone® program from home.

Log into Rosetta Stone on a mobile device.

- A** Make sure you have downloaded the Learn Languages with Rosetta Stone mobile app onto your mobile device.

- B** Launch the Safari app.

- C** Navigate to the school's Rosetta Stone Language Lessons portal URL.

- D** Enter student's **USERNAME** and **PASSWORD** and tap **"Sign in"**.

- E** Tap **"Launch Rosetta Stone"**. You may receive a notice like the one below. Tap **"Open"**.

- F** The app will automatically launch and your student can continue learning where they last left off.
