TITLE I CRATE

Title1Crate Software is a web-based, interactive filing system designed to store, monitor, and manage all of the documentation required to operate a Title I school.

An upcoming audit is scheduled to review the status Title I schools being in compliance with the required documentation.

The pie chart reflects a summary of the districts compliance in submitting proper documentation into Title I Crate. Connect with the appropriate staff members to ensure they are aware of their responsibility with maintaining this online crate.

Green - submitted and accepted

Blue - submitted pending approval

Red - no submission and/or overdue
