News to Use

ESSA requires schools and programs receiving Title I funds to ensure that all teachers and paraprofessionals working in a program supported with these funds meet "applicable State certification and licensure requirements" (ESSA 1112(c)(6)). Properly certified or licensed requires teachers and instructional paraprofessionals of core content areas to hold the appropriate license for their teaching assignment based on grade level, core academic subject, and student population. The previous HQT Forms are no longer required. Districts may use the ESSA State Licensure Assurance report (EMIS) to verify properly certified or licensed requirements and/or identify conflicts relating to the requirements.

Additional guidance around properly certified or licensed requirements can be found at: <http://education.ohio.gov/Topics/Teaching/Educator-Equity/Highly-Qualified-Teacher-HQT-Toolkit>

Any school receiving Title I, SIG G, and/or SQIG grant funds are invited to sign up for an in-person consultation session at your school with Lisa Stotz. The link to sign up is: <https://www.signupgenius.com/go/20F0F4BA8AC2EA0F49-federal>
