New Grant Opportunities

Erie Insurance Giving Network

Amount-Up to \$10,000

Description- Erie Insurance supports organizations in the communities where Erie Insurance has presences in these community areas of focus: community building, arts and culture, education, health and human services, safety, disaster relief, and environmental responsibility. Priority is given to organizations that ensure their governing bodies include representatives from the communities they serve. Applications must be submitted online, and accepted year round.

Arts Fund

Amount-Varies

Description- The Arts Fund is one of five “Spotlight Funds” from Adopt a Classroom. Unlike Adopt a Classroom’s typical crowdfunding model, Spotlight Funds let teachers apply for grants and get funding for specific school needs. Money from the Arts Fund can be used toward art supplies, musical instruments, theater costumes, and more.

Guitar Center Music Education Grants

The Guitar Center believes that music “inspires creativity and personal expression, builds self-esteem and teaches cooperation.” To that end, Guitar Center considers requests from 501(c)(3) organizations that support music education for all young people.
