- Promote cooperation among agencies without duplicating services.

Full Description:

Term of Contract: Support is generally given for one year.

Eligibility:

- See RFP and/or Grant Guidelines for full eligibility

Additional Eligibility Criteria:

Grants are made primarily in the Central Ohio area.

Generally, grants are not made for religious purposes, budget deficits, conferences, or projects that are normally the responsibility of a public agency.

Pre-proposal Conference: For those unfamiliar with the Columbus Foundation's application process, you are encouraged to attend one of the Grant Opportunity Open House events that are held throughout the year. These workshops offer an overview of the grant application processes for all Supporting Foundations and The Columbus Foundation. View Workshops & Deadlines (<https://columbusfoundation.org/nonprofit-center/workshops-deadlines>) for specific dates.

Pre-Application Information: The Ingram-White Castle Foundation has two grantmaking deadlines per year: January 15 and August 1. Online letter of Intent (LOI) for August will be accessible by July 1.

Organizations are asked to review the Foundation's mission and values and grantmaking focus to determine whether their Letter of Intent (LOI) is aligned with the Foundation's grantmaking interests. Only those LOI that best fit the IWCF's grantmaking interests and are strongly competitive will be forwarded to the full proposal stage. The applicants that move to this phase of the proposal process will be notified of the full-application deadline via email. Decisions for grant awards are announced by the end of June and November.

Priority is given to projects that encourage matching gifts or additional funding from other donors.
