

Attendance - *Every Day Counts!*

Schools are required to keep records of every excused and unexcused absence for each student. Parents and guardians should call the school to report a student's absence before **9:30 AM** for each day a student is absent.

The parent or guardian **must** supply the school with a verbal or written excuse within one week of the student's return. Any verbal or written excuse provided after this time will not be accepted unless approved, in writing, by the principal. If no valid excuse is received, the absence will be considered unexcused, which may result in a referral to juvenile court for educational neglect or truancy.

The District reserves the right to request additional information to excuse any absence. It's critical that students check in with the Attendance Office when they arrive. Students who do not check in may be marked with an unexcused absence for the day.

Any student who is withdrawn must be re-enrolled at Central Enrollment. However, if a student is withdrawn due to an expulsion, that student (and parent) shall report to the office of the last school of attendance (unless notified of a school transfer) and present proof of residence.

EXCUSED ABSENCE

An absence is recorded as excused for the following:

- Personal illness or quarantine.
- Illness or death in the immediate household.
- Emergencies or any other occurrences or situations which, in the judgment of the superintendent or designee, may necessitate absence from school for good and sufficient cause.
- Religious holiday.
- Medical or dental appointment.
- College visitation.

NOTE: A maximum of nine (9) student absences from school may be considered excused with parental notification.

After nine (9) absences, additional information and/or documentation in addition to the parent notification may be required in order for the absence to be excused. Documentation shall be reviewed by the principal.

Gang Symbols and Gang-Related Apparel

The Board of Education desires to keep district schools and students free from the threats or harmful influences of any groups or gangs which advocate drug use or disruptive behavior. For purpose of these guidelines, "gang related apparel" is defined as apparel that, if worn or displayed on campus, could be determined to threaten the health and safety of the school environment.
