# Instrument of the week: Oboe!

Directions: Unscramble the underlined words!

1. The Oboe is a DOUBEL reed instrument: \_\_\_\_\_
2. The Oboe is in the DOOWNIDW family: \_\_\_\_\_
3. The Oboist will read music in BLERT clef: \_\_\_\_\_
4. The bigger cousin to the Oboe is called the ENGILHS Horn \_\_\_\_\_
5. The Oboe helps to TNUE the orchestra before each concert: \_\_\_\_\_

**\*Bonus\*:** What is the name of the note the Oboe uses to tune the orchestra? \_\_\_\_\_

Directions: Finish the portrait! Draw whoever you like playing the oboe.  
Get creative!

### Fun Facts!

- To play the oboe, musicians blow through a 'double reed.' The reeds vibrate against each other and create sound!
- Most orchestras use the oboe to tune the rest of the instruments before a performance.
- The other common instrument in the oboe family is the English horn (larger).
