***Note: The steps differ for an elementary student versus a middle or high school student.***

### **Step 1: Sign into your Infinite Campus Student Portal**

Log into the student portal from the Student page of the CCS website: [www.ccssoh.us](http://www.ccssoh.us). Students log into the portal using a student number and date of birth in the MM-DD-YYYY format. Note: use dashes instead of slashes between the month, day, and year.

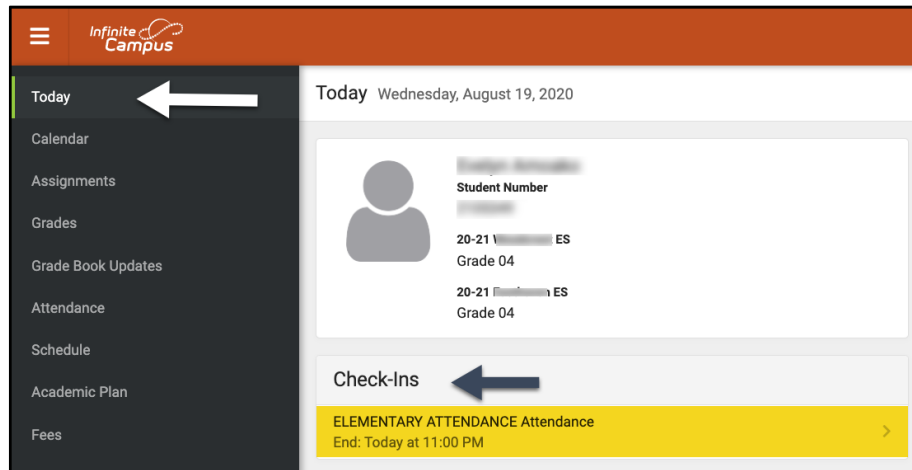

### **Step 2: Select the Attendance Box**

When the portal opens, it will automatically display the "Today" page. In the middle of the screen, is a section called "Check-Ins".

**For elementary school students**, click on the Elementary Attendance box. *Note that you are only able to check-in on the actual date of attendance.*

For **middle and high school students**, you will need to check-in for every course assigned to you that requires attendance to be taken. Think of it as switching classes during your school day! Under the Check-Ins, select the course you are checking in for.

### Step 3: Are you here?

The system will ask if you are participating today. Click the “Yes, I’m Here” button.

For **elementary school students**, you will only need to do this once for the Elementary Attendance course. A message will flash quickly in the upper right corner that says, “Check-In Saved”.
