Certificated Professional Leave  
Guidelines & Schedule

### **Master Agreement (2009-2011)**

**702.16** The Professional Leave Committee established by a “Memorandum of Agreement” in 1986 will continue to function as set forth in said memorandum and as agreed to by the parties. Further the Board will provide \$200,000 per school year to fund this professional leave provision.

## Certificated Professional Leave Guidelines & Schedule

1. Preference will be given to workshops offered in the Columbus area and in the State of Ohio.
2. Submit conference/activity travel requests forms for approval no less than two weeks in advance of the Professional Leave Committee **(please review schedule below)**. For example, activities for October must be approved at the September meeting, etc.
3. *Trips outside the continental United States are not eligible for approval.*
4. The current fiscal year begins July 1, 2017 and ends June 30, 2018.
5. Summer activities are encouraged provided there are funds available from the current fiscal year.
6. Professional leave cannot be used for activities to obtain college credits or certification.
7. Applicants are limited to \$1800 over a two (2) year period. You may use your discretion as to how many activities you request to attend as long as the total is \$1800 or less for the two year period.
8. Preference will be given to staff who have not utilized the fund within the last two years.
9. Generally, no more than two teachers per building will be approved for a particular activity.
10. Generally, the total number of teachers attending an out-of-state conference will be limited to five or fewer across the district.
11. Expenses will not be approved in conjunction with personal leave use. When a request is denied due to substitute availability, expenses will not be authorized if the individual elects to use personal leave.
12. Membership in a professional organization is not reimbursable from this program unless such membership reduces the cost of the conference registration by an amount equal to or greater than the cost of such membership.
- 13. Permission to attend a professional activity which requires neither funding nor a substitute should be approved with your immediate supervisor and will not be considered through the Professional Leave Committee.**
14. If meals are provided as part of conference, per diem will be adjusted down for each meal provided as follows:  
*\$7 Breakfast, \$11 Lunch, \$27 dinner*
15. *Any changes to the approved requests must be cleared through the Professional Leave Committee and your supervisor.*
