St. Vincent de Paul (SVdP) Microloan Program

Provides individuals with low-interest loans. Loans will be provided for one-time expenses to individuals who can demonstrate that they can pay back the loan. Loans are for expenses such as a car repair, a home repair, educational expenses, and medical expenses not covered by insurance. They do not provide loans for expenses such as rent, food, or utilities.

Individuals will also be provided with their own credit union account. They can also use this account for direct deposit of paychecks and to cash checks for free. All applicants will be visited by SVdP financial mentors who will provide information on finances, consumer protection information, and connect to other community resources.
