Freshman Fusion Leaders "Lead" Incoming Freshman Students on the First Day of School

On the first day of school, Beechcroft Student Leaders supported the Class of 2022 with the transition of officially becoming high school students. Student Leaders talked to students about school expectations, supported freshman in team building activities, led school tours, explained how to read schedules, located student classrooms, and practiced opening lockers. Fusion Leaders also helped the entire student body create a human paw print to express "school community" outside of the building.
