

Wozniak Science and Social Studies

Here are all the assignments for my classes; these are the same assignments listed in my emails to families sent on 3/15 and 3/21 and that are posted on Google Classroom for students to see. All assignments are due by the time we get back to school on 4/6. Please email me if you have any questions.

Science:

-Khan Academy:

Intro to Magnetism

Magnetic field created by a current carrying wire

What is gravitational potential energy?

-Achieve Articles (complete the activity and thought question):

Coming Up: More Lightning

Milky Ways in the Making

-Potential Energy Gizmo

-Electromagnetic Gizmo

(Both Gizmo packets are on Google Classroom under the Classwork page. They can be filled out and turned in on Classroom so they do not have to be printed.)

Social Studies:

-Khan Academy:

Politics and society in the early nineteenth century (the whole lesson)

(For social studies, we will start working through the Early Republic Unit starting with the lesson above.)
