

## Arts Course Selection 2020 - 2021

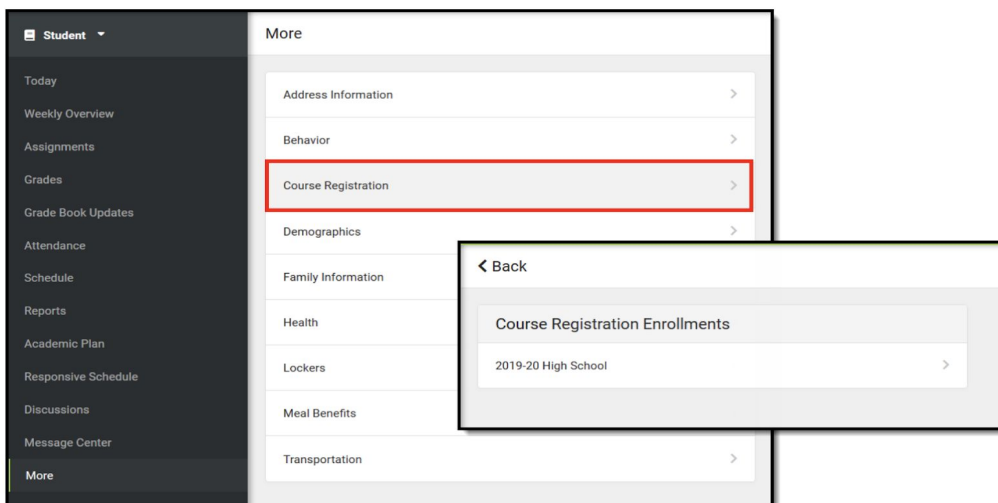

Please follow the steps below in order to select your **ARTS** course for the upcoming school year. This is just a course request process; it does not guarantee placement into a course. Parents can also request courses for students using this same process.

**Step 1:** Log into your Infinite Campus Account (Campus Student or Campus Parent)

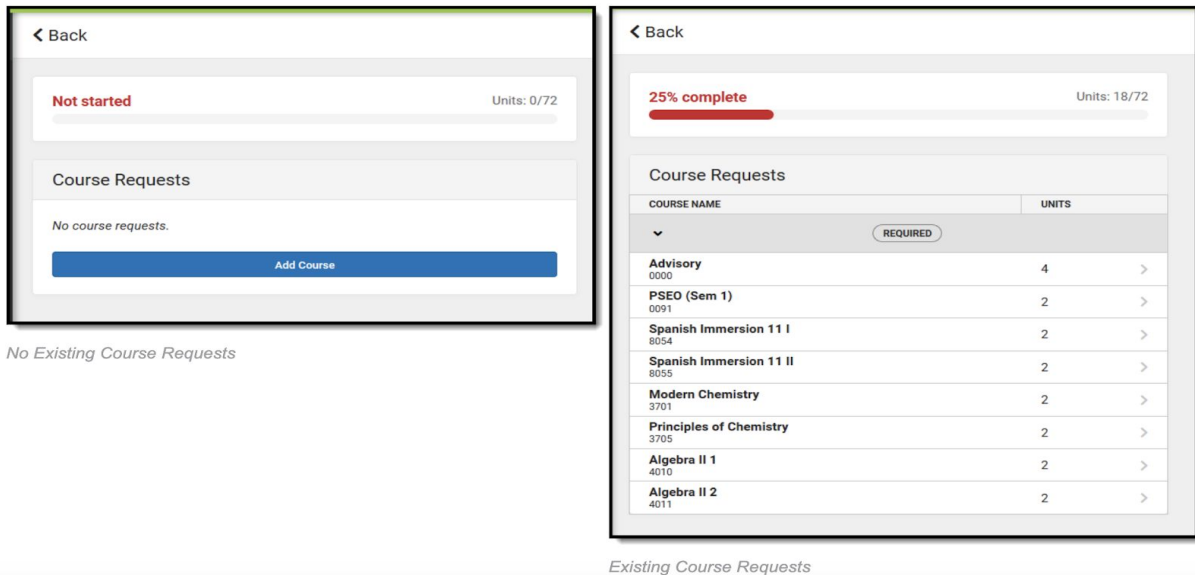

**Step 2:** Select “More” from the Index (bottom left) and then select “Course Registration”

**Step 3:** Select the Course Registration Enrollments (2020 - 2021 Middle School)

**Step 4:** You are now ready to enter Course Requests! When there are currently **no course requests**, a screen like the image on the left below displays. If some course requests have been entered, a screen like the image on the right displays (**SEE BACK OF PAGE**).

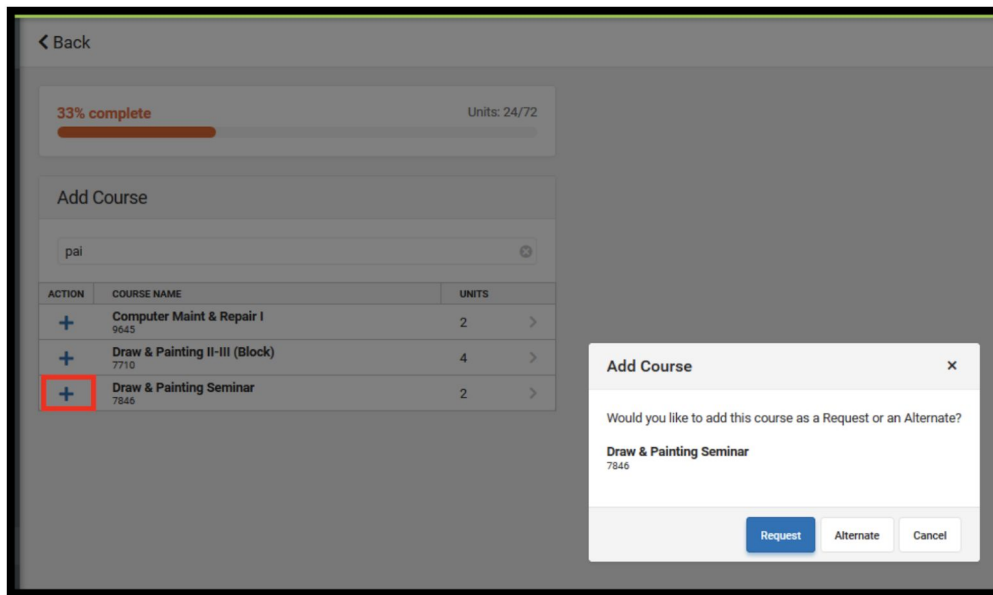

**Step 5: As an 8th grade student select TWO courses as “Requests” and TWO as “Alternates.”**

**Requests** = 1st and 2nd selections are your TWO PREFERRED ART courses for the school year

**Alternates** = 3rd and 4th selections IF you cannot be placed in your “Requested” courses

**Step 6:** Refer to the ATTACHED list of available courses and . . .

- 1.) Search for the course.
- 2.) Click the blue plus sign on the left.
- 3.) In the popup message that displays, select **Request**, **Alternate** or **Cancel**.

**Step 7:** When finished requesting courses, **review the requests** you have made and make adjustments as needed. If you are satisfied with your requests, click the **Print** button. This generates a PDF of your required and requested courses.
