# We are a TITLE One School

This means we receive federal dollars to support the learning of our students.

You have the right as a parent to know the qualifications of your child's teacher.

We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

Since 1988, **I KNOW I CAN** has helped make higher education a reality for thousands of Columbus City Schools students who dream big and work hard.

**I KNOW I CAN** is one of the largest and most successful college access programs in the nation and provides the inspiration to ignite ambition, the support to encourage students to excel in school, and the financial assistance to enable students to earn a college degree.

### Mission Overview Core Purpose and Values Statement

#### Core Purpose

To inspire, enable and support Columbus City School students in pursuing and completing a college education.

#### Core Values

**Student-centered**- IKIC exists for students. We believe that the self-esteem of young people is a key to life-long success and well-being. All of our programs, resources, and strategic decisions will be grounded in a determination of what is best for students and what meets their needs.

**Opportunity**- We raise expectations and remove barriers for students and their families.

**Achievement**- We focus on student achievement that includes academic advancement, early awareness of and appetite for successful pursuit of college studies, and the attainment of adult-level life skills such as engaged citizenship.

**Responsibility**- We have a responsibility to provide world-class services to students and their families, to collaborate with key community partners, and to be a leader in college access programming. Our students will recognize their responsibility to be leaders in giving back to their communities.

Approved by IKIC Board  
September 2007  
Revised January 2019

### HOW WE CAN HELP

**Elementary School:** Every 2<sup>nd</sup> grader in the CCS district is inspired to think about college with the **I KNOW I CAN** children's book.

**Middle School:** All 6<sup>th</sup>-8<sup>th</sup> grade CCS students and families are invited to **Blueprint: College**, a series of workshops that provide information on the college planning process. IKIC offers **classroom presentations** about college and career planning in every CCS middle school.

**High School:** An **I KNOW I CAN** advisor is in every CCS, South-Western and Whitehall high schools to help students prepare for college. IKIC also offers **classroom presentations** about college and career planning. Outside of school hours, **Blueprint: College High School** delivers relevant and in-depth information on the college planning process to students and families. IKIC offers **college application** and **ACT/SAT** registration assistance to eligible seniors, up to 3 college application fee waivers or payments, and will also pay for one ACT or SAT test during a students' junior or senior years after the student has used fee waivers. One-on-one assistance and evening workshops at CCS schools assist students and families in completing the **Free Application for Federal Student Aid (FAFSA)**. **Computers** are available in the office for students to complete steps in the college application or FAFSA process.

**Retention:** IKIC advisors are available at 15 Ohio college campuses to help students with the transition into college and to stay on track to graduate.

### IKIC FUNDING SOURCES FOR CCS STUDENTS

**Founders' Scholarship:** Up to \$10,000 – A competitive scholarship renewable for four (4) years for Columbus City Schools students

**I Know I Can Grant:** Up to \$1,200 – Renewable for four (4) years for qualified CCS graduates demonstrating financial need

**Save Smart Sr Program:** A post-secondary Individual Development Account (IDA) savings incentive program in which eligible CCS 12<sup>th</sup> grade and college students save \$250 and receive a \$1,000 match in addition to the \$1,200 IKIC grant

The only college access program in Columbus, **I KNOW I CAN** gives Columbus area students a chance to realize their full potential and make their dreams come true by:

- Offering **college awareness** programs, resources and activities
- **Advising** students and families on college selection, admission and financial aid processes
- Promoting the **opportunities and benefits** of college
- Providing **I Know I Can Grants and Scholarships** to qualified students
- **Motivating** students to stay in school and focus on academics
- Helping students stay in college and **complete their education**
