## FAMILY ENGAGEMENT SURVEY

This year, Binns has partnered with Panorama Education to administer surveys to families in our school. These surveys will enable us to better understand our strengths and how we can better support our students. Please take a few moments to take the survey at the link below.

<https://surveys.panoramaed.com/ccsoh/binns>

**Each survey completed per family entitles you to:**

1. Free School Store coupon per child in Family
2. Enter to win a family dinner at Donatos provided by Binns Elementary School

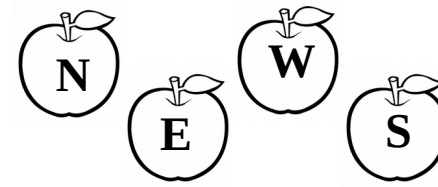

There is also a station set-up at school to complete the survey! Please completed ALL surveys by Friday December 21<sup>st</sup>!

Please send completed survey page to [gshimer.binnses@gmail.com](mailto:gshimer.binnses@gmail.com) or sign the sign in sheet at the survey station at school. THANK YOU!

## Did You Know?

Binns Elementary has a Robotics Club? Students are able to apply for the team in 4<sup>th</sup> and 5<sup>th</sup> grade. Students who are chosen have the opportunity to work in small teams to build and refine a robot for competition. Binns has 4 teams and each team will have the opportunity to compete in at least one tournament with the hopes of qualifying for state and world competitions. A great opportunity for your students!
