Did You Know?

Did you know that Binns Elementary secretary Barb Thompson is retiring this month on January 31st?

Barb has been with the district for 22 years and has served us here at Binns for 16 years! SIXTEEN!! She is the first face that you see when you enter the doors no matter the time of day. Her sweet smile and gentle voice make you feel welcome and have a great start to the day. Many do not realize the amount of knowledge she holds and the time and energy she takes to meet the needs of our students and families. She has helped SEVERAL over the years with transportation, physical needs, and directing them to ANY resource they seek. She will find a solution!! She serves with a smile and positive attitude and she will be sorely missed with the staff, students and families at Binns. We love her dearly and wish her the best in retirement! A piece of Binns will be missing when she is gone and we are so THANKFUL and APPRECIATIVE of her and her years of service!
