Hello! Welcome to Binns Elementary School! We are so glad that you chose Binns Elementary school as the starting point for your child's education. We trust that you will truly enjoy your time here and will work with us to see your child through to their graduation.

This Newsletter serves as a way of communicating what is happening at the school and to let family members be a part of the day of their Binns Elementary School Student. A newsletter will be distributed each month to keep you informed of upcoming events and school deadlines and to give you insight into the great opportunities and achievements of your student and school.

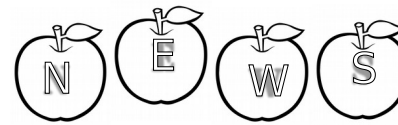

Hello! My name is Gina Shimer and I am your new Family Ambassador this year! I have 4 children, 3 of which are at Binns in Kindergarten, 1st and 3rd (my youngest is yet to come to Binns)! I am a parent just like YOU and trying to navigate and fully support my students through their education journey.

As the Family Ambassador, I am here for YOU the family member! I exist at Binns Elementary to act as a liaison between you and the staff and school and ensure that your child has the best experience at Binns because of family involvement. I hope to maintain open communication throughout the year and be an advocate for you and your child's education.

Should you need ANYTHING this year or need to be connected with ANY resource, please contact me! I am here for YOU and hope to have a GREAT year with you and your student!

UPCOMING EVENTS:

Please use the calendar on the back side of this newsletter to take notice of important dates for the month.

Monday Mayday: This will take place bi-monthly where YOU can come in and help do general classroom work to help your child's teacher.

Breakfast Buddies: We will be hosting a time where YOU can eat with your student at breakfast. This month we will cover coping strategies for your child behavior and anxiety to ensure a successful school year! You will also be able to see the PBIS room (or learn what that is!)

PBIS Fundraiser: COIN WAR! Starting September 3rd through September 13th Homeroom teachers will collect coins from your student. The class with the most coins collected will win a banana split party. The money will help fund PBIS rewards and materials and programs for our students to encourage positive behavior.

**Information will be sent home for all the above activities*
