**The 3rd, 4th and 5th grade students will be taking the OST tests** on the days listed below. Please make sure your student goes to bed, and gets plenty of rest the night before. It is a good idea to limit computer & phone screen time. The day of the test, have your student **ARRIVE ON TIME** to eat breakfast if needed. The test will begin **PROMPTLY AT 9:00am**. Students arriving **AFTER 9:00 am** will not be allowed to test and must take it at another time.

The following tips are also useful when taking the test:

- Listen closely to any instructions
- Read the test through first
- Focus on addressing each question individual

**RELAX – BREATHE – RELAX – BREATHE - RELAX**

Thank you for your help in preparing them for this very important test. Hopefully This will ease any anxiety that could arise. **The link below** is the practice test site that they will be using in class, and you can use at home to help familiarize your student with the assessment.
