Estimada comunidad de Columbus,

Simakovsky Law quiere brindar ayuda a los afectados por la actual crisis de salud.

Si su acceso a los alimentos ha sido interrumpido y su estado migratorio ha impedido su capacidad para trabajar, visite nuestra oficina durante el horario comercial para obtener alimentos.

Si su situación es la contraria y tiene donaciones de alimentos de almacén (tortillas, pasta, maseca, frijoles, arroz, etc..) pase por la oficina y colóquelos en la caja de donaciones afuera de nuestra puerta.

Estamos siguiendo todo el reglamento de CDC, así como las directivas del Departamento de Salud de Columbus, y permaneceremos abiertos mientras sea seguro y legal hacerlo. Sobrellevaremos esta tormenta si nos mantenemos unidos como comunidad.

- Baby Formula
- Potatoes
- Pasta

In response to how we're seeing the current health crisis impact the Columbus population, Simakovsky Law will be collecting non-perishable food donations aimed at serving the undocumented population.

Many of these people work in the food service and hospitality industry, which has already been hard-hit. We expect it to directly impact other industries as well. These people are already quite vulnerable and cannot access government resources because they do not have legal status.

These donations can be dropped off Monday to Friday from 9am to 5pm at Simakovsky Law 460 E Main St Columbus, Ohio 43215. There will be a donation box right outside of our door (inside the building). We are following all of the CDC guidelines as well as directives from the Columbus Health Department. We will remain open as long as it is safe and legal to do so.

If you have any questions, please give us a call at (614) 695-4605 or email Lauren at lauren@simakovskylaw.com.

Thank you, I will send this out to families, correct?

We are also working on getting meals from school as grab and go and welcome help from businesses as well.
