

As educators, we understand the need for flexibility and grace in order to allow all Columbus City School learners to demonstrate their growth and achievement during this time of remote learning.

QUARTER 4 GRADING OPTIONS AND FINAL GRADE CALCULATIONS

**Pass
or Incomplete**

Calculated Average: Quarters 1, 2, and 3 Percentile Grades will be averaged to calculate the Course Final Grade.

Teacher will run the Quality Points Calculator in Infinite Campus and update all grades where Quality Points yield a higher grade than the percentiles average.

**Letter
Grade**

Student earning an A, A-, B+, B, or B- elects to receive a Q4 letter grade and emails their teacher by May 18.

Calculated Average: Quarters 1, 2, and 3 Percentile Grades will be averaged to calculate the Course Final Grade.

Teacher will run the Quality Points Calculator (QPC) in Infinite Campus. The QPC recognizes the letter grade in Q4 and calculates a Course Final Grade based upon all 4 quarters. Teacher will then use the QPC to update all Course Final Grades where the 4 quarter calculation yields a grade greater than the 3 quarter percentile average.
