2019-2020  
Mr. Clemente

## Classroom guidelines

### A. Respect everyone's backpack

The stuff you're carrying affects how you treat other people.

### B. Be responsible with equipment

Any student misusing equipment will be pulled from the assignment and will lose privileges to work on the computers or any of the other equipment. If you break a piece of equipment because you were misusing it, you will be expected to replace it. Playing around in the studio will not be tolerated.

### C. Be I.N.D.E.P.E.N.D.E.N.T . . . do you know what that means?

We will do lots of projects in this class and you must be able to work with others, work by yourself and still get your work done. I will expect you to work hard, work together and to let others work.

### D. All school rules apply

That includes dress code, no cell phones and no eating in class. There is absolutely NO NO NO food or drink allowed in the studio.

## Consequences

If you **CHOOSE** to break a guideline, then you **CHOOSE** to accept the consequence

1. Warning/conversation with Mr. C/\*possible alternate assignment
2. Phone call home to parents/alternate assignment
3. 190/office referral

## Procedures

- Come in and take a seat at your computer.
- No binders or notebooks are allowed on computer tables.
- Complete the bell ringer assignment on the screen.
- Remain in your seat until the bell rings. All equipment must be turned in before class will be dismissed.
- Hall Passes  
Students will be given 6 hall passes for each nine weeks. Unused hall passes may be turned in at the end of the grading period for 4 extra credit points each. If you lose hall passes, they will ***not*** be replaced.

You will have homework but it may not be due on a daily basis. Students will be given various photography and filmmaking assignments on Monday, which are due on Friday.
