## **WHAT MAKES THIS SCHOOL OUTSTANDING:**

Academic Achievement is our number one goal. We value the arts and incorporate them into our daily lessons. We are learning about the Second Step Initiative to assist students with social and emotional learning with units on skills for learning problem-solving, empathy, friendship, and emotion management. We have implemented a school-wide discipline plan to ensure all students are aware of the expectations at school.

## **SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:**

The teachers at Fairmoor Elementary are guided by the designated curriculum of Columbus City Schools in all academic areas as well as the unified arts classes. All teachers are implementing Ohio's Learning Standards and 21st Century Learning Skills. The standards are a national initiative adopted to ensure our students are college and career ready when they graduate high school. Our district curriculum has been enhanced to align with the new standards, which offer students more time to focus on the depth of understanding of the topics being covered. The clear standards help students realize what is expected of them and allow them to engage in high-level thinking skills.

## **STUDENT ACTIVITIES/SPORTS:**

Chorus, ice cream social, concerts, student leadership opportunities (Student Ambassadors), instrumental music, students welcome wagon, field trips, Girls on the Run, end-of-year activities, math/science/literacy nights, and skating parties.
