WHAT MAKES THIS SCHOOL OUTSTANDING

The partnership of a committed staff, motivated students and involved parents makes Alpine a school that consistently performs well on state assessments and receives high grades on the state report card.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM

We use the Ohio Academic Standards in reading, mathematics, writing, science social studies, the unified arts and health education.

We implement HMH, an integrated literacy program. HMH instructional approach focuses on integrating all of the literacy skills and foundational reading skills within the context of authentic reading selections. In conjunction with this series, we use the Benchmark Assessment Reading Level, IReady Reading and Math Assessments to monitor our students' progress. We support our struggling with small group instruction and a Leveled Literacy Intervention tutoring program.
