SCHOOL MISSION: We exist to prepare all students for success beyond high school by inspiring them to develop grit, critical thinking, and a love for learning.

DRESS CODE: Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

1. We are focused on college and career access and readiness. Our goal is to ensure that all students in the 2023 Cohort (and beyond) graduate high school with college course credits in areas of their choice.
2. Significant evidence was shown that Beechcroft High School exceeded student growth expectations on the most recent Ohio State Report Card.
3. We believe in our Vision that 100% of our students will complete their own individual pathways to graduation.
4. Freshman Fusion is a program in which junior and senior student leaders help to ensure a successful academic and social transition to high school for ninth-grade students.
5. We have a history of "Exemplary" rated Rotary Club Service Above Self Awards.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Beechcroft has 43 high-quality teachers in addition to ten paraprofessionals, four of which are child care attendants.
