To accomplish this mission, we set high academic standards and provide a caring atmosphere conducive to success.

DRESS CODE: Students are expected to follow the Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

More than 70% of students choose to attend Centennial through the choice lottery option because they want the quality education that Centennial provides. Centennial respects and embraces its diverse population. With students representing more than 40 nationalities, our students will gain a truly global perspective. Centennial High School was listed as one of the top 1,500 schools in the United States in Newsweek Magazine. The Centennial High School Class of 2021 earned more than \$12 million in scholarships.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

We have a college preparatory curriculum as well as Advanced Placement courses that provide an enriched offering for all students. Students are able to attend DeVry, The Ohio State University, Columbus State Community College, and other colleges through the College Credit Plus Program. Students are also able to gain college credit without leaving Centennial through an emerging partnership with Columbus State that focuses on college success skills.
