- Full-time teacher support 5 days a week.
- Teacher availability during school hours includes both class time via zoom and office hours.
- Balance between synchronous and asynchronous time for students.
- Mandatory in-person testing, orientation, help sessions, and extended learning opportunities
- Options are available for students to work outside of the school day with teacher permission.

Enrollment into the Columbus Online Academy is completed through the lottery enrollment process and COA will become your child's home school.
