WHAT MAKES THIS SCHOOL OUTSTANDING:

Como Elementary Staff strives to ensure that each student makes academic gains each year. Como recognizes student achievement, behavior, and attendance through weekly, monthly, and quarterly awards and recognition opportunities. School leadership, parents, teachers, and students are all working toward the same goal: To increase the academic achievement of every student, every day.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

- Fully implemented Common Core Standards in math and reading.
- Instruction in science, social studies, writing and health.
- Art, music and physical education as part of each student's weekly schedule.
- Instrumental music (band and strings), choir and hand bell choir offered to interested students at the intermediate grade levels.
