## **WHAT MAKES THIS SCHOOL OUTSTANDING:**

Cranbrook is a recipient of the No Child Left Behind Blue Ribbon Award. This is a national award given to schools with high academic achievement. The average daily attendance at Cranbrook is 93 percent. Cranbrook's student body represents 30 countries and more than 15 different languages. Valuing a broad diversity of students enriches our academic tradition of excellence. Therefore, multicultural learning experiences remain a high priority among students, staff, and parents. International Night each spring provides the Cranbrook community and its partners with opportunities for sharing cultural traditions, art, and food of different countries. Each K-5 classroom is equipped with a SmartBoard, Elmo document camera, Chromebooks, and computers with internet access. There are two English Language Learner (ELL) teachers and instructional assistants as well as five special needs units.

## **SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:**

Cranbrook offers a strong academic program. Reading is taught through the Balanced Literacy, iReady, and Kindervention reading programs. Students receive 60 minutes daily of highly-focused math instruction. Everyone is actively engaged in the educational process. All learners are motivated to think critically, creatively, collaboratively, and independently.

### **SCHOOL LEADERSHIP:**

Maria Grossman, *Principal*

### **STUDENT ACTIVITIES/SPORTS:**

Cranbrook students participate in Special Olympics, Conservation Classroom, Classroom Safari, KidsGardening, Debate and Math tournaments, JA Biz Town, choir, instrumental music, book clubs, robotics club, Invention Convention, and International Night.

### **FAMILY SUPPORT AND RESOURCES:**

Cranbrook parents are encouraged to join the Parent Teacher Association. The PTA supports extracurricular school-wide activities. Parent volunteers are welcomed. Arabic and Spanish translators are on the staff. Family-focused curriculum nights are periodically conducted throughout the school year to support the Common Core State Standards for English Language Arts, math, science, and social studies. Family ambassadors collaborate with parents around the Six Standards of Family Engagement.

### **COMMUNITY PARTNERSHIPS:**

Cranbrook continues to have active working school/community partnerships with The Ohio State University, Future Possibilities/Motorists Group, Vineyard Columbus-Lane Avenue Campus, Columbus Tutoring Program, and the Friends of the Lower Olentangy Watershed (FLOW).
