## **WHAT MAKES THIS SCHOOL OUTSTANDING:**

Our whole school themes include challenge, risk, trust, cooperation, and problem-solving. Students work together, individually and cooperatively in groups. They are involved in "hands-on" types of activities - "learning by doing" - whether it be in the classroom, the gymnasium, or on field trips to surrounding parts of the community. Our focus is to teach students "how" to think, not "what" to think. Devonshire has a climbing wall in the school gymnasium. We are the proud recipients of the Gay Su Pinnell Education Foundation Grant. This grant will provide 150 thousand dollars in new level literacy books for our school.

## **SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:**

At Devonshire we follow the state approved New Ohio Learning Standards; curriculum in language arts, math, science, and social studies. We integrate the subject areas and use cooperative and hands-on activities to create an experiential learning experience for our students. Students have the opportunity to develop understanding and skills on laptop computers. Additionally, teachers and students have the opportunity to use LCD projectors, SMART Boards, Chromebooks and ELMO Machines. Additionally, teachers at Devonshire use the Houghton Mifflin Harcourt Reading Program.

### **STUDENT ACTIVITIES/SPORTS:**

We climb our walls! Yes, Devonshire has an extensive Project Adventure focus school wide. Our gymnasium serves as the focal point. Students have unique opportunities to participate in climbing walls, zip lines, and trapeze jumps. All students get to go to ZipZone for further adventure education experiences in high ropes courses, initiatives and outdoor education. Additionally, all students get to go to Camp Wilson or Heartland for two nights of camping. Numerous virtual field trips, Project Adventure Activities (High Ropes & Initiatives) debate, Penny Harvest, SEED Program, Girls on the Run, and Chase ZooFari Science Program. Additionally, all students in grade K-5 have the opportunity to attend overnight camp at Camp Wilson's "Nature Classroom," or Heartland Outdoor Education Center.
