**COMMUNITY:** Region 4 - North

**EMAIL:** [dominionms@columbus.k12.oh.us](mailto:dominionms@columbus.k12.oh.us)

**SCHOOL MISSION:** We exist to create an accepting, inclusive, and safe environment where children are actively engaged in the learning process. An environment where 100% of students are performing on grade level in ELA and math.

## WHAT MAKES THIS SCHOOL OUTSTANDING:

The Dominion staff ensures that students are provided with a high-quality education in a safe, clean, and orderly school environment. The Dominion staff additionally commits to providing outstanding communication to parents, students, and community members. We communicate with parents through a weekly electronic newsletter, weekly automated phone messages, and the Infinite Campus Parent Portal. Strong community ties are another outstanding aspect of Dominion Middle School. Our inclusive community ensures that all students are welcomed into a warm and supportive learning environment. Deaf and Hard of Hearing, and students with autism are mainstreamed and included in regular education classes at Dominion.

## SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

The staff at Dominion Middle School teaches a core academic curriculum consisting of Ohio's Clear Learning Standards, which were developed by the Ohio Department of Education. These standards are highly rigorous and emphasize critical thinking, argumentative inquiry, with a Constructivist approach to learning. Teaching staff plan with academic rigor and relevance in mind. Therefore, students demonstrate knowledge in a variety of different ways, including projects, labs, and written work.

## SCHOOL LEADERSHIP:

Kathryn Dominique,  
Principal

## FAMILY SUPPORT AND RESOURCES:

The Dominion Parent Teacher Student Organization (PTSO) is a highly active and energetic means of participating in your child's education. The PTSO sponsors quarterly student awards and an annual scholarship recognition ceremony, a quarterly teacher appreciation luncheon, annual fundraising events, and fundraising for the eighth grade Washington D.C. trip, which includes scholarships. The PTSO facilitates communication by using a parent email database and writes our weekly eNewsletter.

## COMMUNITY PARTNERSHIPS:

The Ohio State University/I Know I Can, Youth-to-Youth, Clintonville Go Public, Directions for Youth and Families, Clintonville Realtors Association, Dominion PTSO

## STUDENT ACTIVITIES/SPORTS:

Students explore their passions through music groups like choir, jazz band, drum line, and vocal ensemble. Budding performers can take the stage in drama club, musical concerts, and the annual talent show.

Students also compete in the Stock Market Game and take exciting educational trips to cities across the nation and beyond!

Dominion's student-athletes represent the school in volleyball, soccer, basketball, track, baseball, and softball.

Whether you're a coder, performer, athlete, or writer, Dominion has a place for you.
