SCHOOL MISSION: Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community.

WHAT MAKES THIS SCHOOL OUTSTANDING

The Dominion staff insures that students are provided with a high quality education in a safe, clean and orderly school environment. The Dominion staff additionally commits to providing outstanding communication to parents, students and community members. We communicate with parents through a weekly electronic newsletter, weekly automated phone messages and Infinite Campus Parent Portal. Strong community ties are another outstanding aspect of Dominion Middle School. Our inclusive community ensures that all students are welcomed into a warm and supportive learning environment. Deaf and Hard of Hearing, and students with autism, are mainstreamed and included in regular education classes at Dominion.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM

The staff at Dominion Middle School teaches a core academic curriculum consisting of Ohio's Clear Learning Standards which were developed by the Ohio Department of Education. These standards are highly rigorous and emphasize critical thinking, argumentative inquiry with a Constructivist approach to learning. Teaching staff plan with academic rigor and relevance in mind, therefore students demonstrate knowledge in a variety of different ways projects: labs and written work.
