SCHOOL MISSION: Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community.

DRESS CODE: Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES OUR SCHOOL OUTSTANDING

Students are instructed at their grade level and guided in reaching their full potential. All students participate in our building wide discipline program – Eakin Eagle Traits. This includes 6 Pillars of Character which guides our growth as community members: Responsibility, Self-Discipline, Courage, Respect, Honesty, and Courteous. Eakin has been recognized as a Positive Behavioral Interventions and Supports SILVER Award school. Quarterly programs, where parents are invited, are held to recognize student celebration of learning.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM

Reading, math, English as a Second Language, science, social studies, health, art, music and physical education is aligned to Ohio's Learning Standards. Students have an opportunity to use chrome books, thin client computers, Smart Boards and other technology in the classroom. (We are working towards having 1:1 computer access).

READING PROGRAM: Students are instructed at their level and the program is supplemented with additional materials to support students' growth. Small group tutoring is offered to students in grades 1-3. Students in grades 4 – 5 are provided instruction that is Researched Based.

FAMILY SUPPORT and RESOURCES

Eakin encourages our parents to participate and sponsor activities throughout the year to support students and staff. We are building a Parent Leadership program that will be a support system..

STUDENT ACTIVITIES/SPORTS

Our students participate in activities that support learning such as COSI on Wheels and others. Reading incentive programs throughout the year encourage students to read. Red Ribbon Week and field day provide additional fun. **ACTIVITIES:** Leadership Team, Girl Scouts, student council, choir, instrumental music program.

COMMUNITY PARTNERSHIPS

Eakin partners with Communities in Schools to provide after-school tutoring and homework help. Additionally, Westside Columbus Recreation and Parks Without Walls is running afterschool programing. In partnership with the Final Third Foundation our students are invited to participate in a Soccer & Literacy Programming. Fourth grade students participate in a yearlong study with Momentum; which is a free-standing organization affiliated with the Association of National Dance Institutes. In 2019, U.S. Soccer Foundation connected Eakin to the Safe Places to Play and installed the Eakin Elementary mini pitch. This is a wonderful asset to the Westside community that all benefit..
