**SCHOOL MISSION:** We strive to ensure the academic success and social emotional growth of all the students we serve.

**SCHOOL VISION:** To increase the academic success of all students by providing instruction that is on grade level, engaging, affirming, and meaningful in every class every day.

**DRESS CODE:** Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

---

## WHAT MAKES THIS SCHOOL OUTSTANDING:

East High School stands out through its commitment to turning challenges into opportunities and equipping students with essential 21st-century skills. Our graduating class of 2020 earned over \$2.6 million in scholarships and awards, reflecting our focus on academic excellence. As an ACT testing site for the past five years, we encourage early and frequent testing. Our strong partnerships offer diverse resources, enriching the educational experience. Our acclaimed marching band and drill team, which has performed nationally and been featured on BET, contributes significantly to college admissions and student achievement, including perfect attendance and honor roll distinctions. Additionally, East High actively supports the district-wide Literacy Initiative, fostering continuous learning and literacy for all students.

## SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

East High School, the proud home of the Tigers, features the distinguished Health Sciences Academy, which incorporates the Project Lead the Way Curriculum. This dynamic medical program provides a rigorous pathway designed to equip students for exceptional careers in the medical and healthcare fields, with a strong emphasis on advanced Science and Math learning. Through our College Credit Plus partnership with Columbus State Community College, students can earn college credits while still in high school. Additionally, East High has adopted the Universal Design for Learning Model, a framework that effectively addresses barriers and supports the development of expert learners within diverse instructional settings.

### **STUDENT ACTIVITIES/SPORTS:**

East High School offers a vibrant array of student activities and sports designed to enrich our students' educational experience and personal growth. Our programs include: Project Mentor: A supportive initiative that connects students with mentors for guidance and career exploration. Upward Bound: A program aimed at preparing students for college success through academic support and enrichment. Student Council: Providing leadership opportunities and fostering student engagement in school governance. ROX: A supportive network focused on empowering young women through community and personal development. Positive Behavioral Interventions and Support Team: Fostering a positive school culture through proactive behavioral strategies. BRICK Young Men's Leadership Program: A program designed to develop leadership skills and promote personal growth among young men. The Principals Ladies Club: An organization that encourages young women to engage in leadership and community service. These are just a few of the activities and programs integral to fostering a well-rounded education and a supportive school environment offered at East High School.

### **FAMILY SUPPORT AND RESOURCES:**

Family Ambassador:
