---

## **WHAT MAKES THIS SCHOOL OUTSTANDING:**

Eastgate Elementary is part of the East High School feeder pattern and we have community access to neighboring parks, recreational centers and arts facilities. Our students are "walking into their destiny," with each step that they take. Our proud colors & dress code (campus wear) is a hallmark of an Eastgate Tiger! You know it's an Eastgate scholar when you see the all-white polo style shirts, and black and orange neck ties. We have formed collaborative partnerships with several community agencies and businesses to develop programs which will impact the learning experiences for our scholars.

## **SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:**

Every instructional leader at Eastgate will work collaboratively, focusing on instructional growth, development and classroom environments, where every scholar can learn. This will occur through professional development, coaching, team building and progress monitoring. We will continue to investigate and implement strategies, interventions and opportunities which will challenge us as educators to not simply scratch the surface of purposeful instruction, but instead maximize each educator's strengths, talents and skills to a higher level while promoting an environment fused with a sense of belonging, support, and collaboration. Our commitment to EXCELLENCE, will include taking a holistic approach to improving instruction, thus positively impacting student performance. Ideologies such as Student Restorative Justice, Trauma Informed Instruction, Multi-Tiered Systems of Support and family wrap-around services will remain an integral part of each scholar's journey. Eastgate also has a family ambassador.

Interesting facts about Eastgate Elementary School - Eastgate Elementary School is one of the six CCS Health Sciences Academies (HSA). As an HSA school, we introduce our students to and explore a variety of subject matter and professions surrounding the Health Sciences. Annually, our students and faculty participate in the Health Science Fair, showcasing our accomplishments to the community. Eastgate Elementary sits in the heart of the historic Eastgate community!

---
