WHAT MAKES THIS SCHOOL OUTSTANDING:

Modeled after Columbus Alternative High School, Eastmoor Academy's program was designed to meet the needs of the academically oriented student. Eastmoor Academy has a uniform dress policy. We partner with the national organization Project Lead the Way offering students the opportunity to begin preparation for a career in the exciting and vital field of Biomedical Sciences. This college-preparatory school also affords students the opportunity to participate and represent Eastmoor Academy in athletics. The athletic program is an extension of the classroom and reflects the intense educational philosophy of Eastmoor Academy.

All Eastmoor Academy students are scheduled in courses that are required by Columbus City Schools for a Diploma of Graduation and a Certificate of College Preparation. This requires 22 credits to include 4 English credits, 3 social studies credits, 4 mathematics credits, 3 science credits, 2 foreign language credits, 1 fine arts credit, 1 technology credit, 1 internship credit, 1 credit in health/physical education, 3 electives, and 1 academic elective (science or social studies). Students who earn a minimum of 5 additional credits in a curriculum area may also receive a Certificate of Specialization.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

All students are enrolled in college preparatory English, mathematics, foreign language and science courses. We offer AP courses in English, Calculus AB, and U.S. History. Ninth and tenth grade students have an opportunity to participate in humanities, a rigorous two-period course that provides the students with not only the required English and social studies curricula, but also the richness of an initial humanities experience.
