SCHOOL MISSION: ALL kids deserve post-secondary options that high-quality social-emotional and academic learning experiences provide.

SCHOOL VISION: ALL students will graduate on time with a clear pathway to post-secondary options.

DRESS CODE: Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

Each year, many of our students earn scholarships. The seniors continue to earn millions of dollars in merit-based scholarships and grants to a wide variety of colleges and universities. We have been recognized by US News & World Report as one of the top high schools in the country and a recipient of their Bronze Award. Briggs has also been recognized for its exemplary community services in the City of Columbus "Services Above Self" Fair. Our students have been selected to present at the renowned Columbus TEDx and the The Martin Luther King Jr. speech contest. They have received prestigious scholarships such as Denison Columbus Alliance Scholarship and the I Know I Can Founders Scholarship. Our Teachers have been recognized for their excellence through awards such as Central Ohio's Secondary Teacher of the Year.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Briggs High School offers an extensive college preparatory curriculum that includes sciences, language arts, honors English, math, world languages, social studies, business, technology, physical education, the arts, computer programming, and more. Our program includes Advanced Placement courses in several different areas as well as the opportunity to earn college credit concurrently with the College Credit Plus program. Briggs also offers two career-technical education pathways for students: business and construction. These pathways will enable Briggs students to fulfill graduation requirements and give them the chance to earn college credit and industry credentials. Briggs students are held to a high standard and learn in a safe and secure environment. They are provided a rigorous curriculum with a focus on blending modern technology with learning. Our learning community promotes continuous improvement through student ownership, engaging classrooms, and real world connections. Students at Briggs are recognized for academic excellence with awards and special event assemblies. Academic award letters are given to those who have achieved honor roll status during each of the four grading periods.

**SCHOOL LEADERSHIP:**

Pamela Smith, *Principal*

STUDENT ACTIVITIES/SPORTS:

Students can participate in a variety of extra-curricular activities and academic programs including Senior Council, Student Government, Anime Club, Art Club, Environmental Club, National Honor Society, yearbook staff, show choir, choir, marching band, Young Scholars at OSU, TRIO, and Chess Club.

Briggs also offers its students the chance to participate in a strong athletic program consisting of 21 teams in 14 different varsity sports.

FAMILY SUPPORT AND RESOURCES:

At Briggs, one way we partner with families is through our family ambassador. Through this colleague, parents can connect and engage with their students' academics.

COMMUNITY PARTNERSHIPS:

Briggs students and staff are highly engaged with the community. We work closely with our Westside middle and elementary schools that feed into Briggs to build relationships to support student success from Pre K through graduation.

We are involved with several community outreach programs such as The United Way of Central Ohio, Operation Feed, and Nationwide Children's Hospital. We also share strong relationships with community organizations like I Know I Can, the Columbus Metropolitan Library, and the Hilltop Business Association.
