SCHOOL MISSION: Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community.

DRESS CODE: Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

West High School has long tradition of producing exemplary citizens through academic innovation and field experience. West's diverse student population creates a culturally enriching experience to complement the rigorous academics necessary to prepare students for the 21st century.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Students at West are immersed in trans-disciplinary project-based learning in their course of study. We offer a strong focus on science, technology, engineering, and mathematics (STEM). Educators deliver problem-based lessons that help build students' life and work skills. Standards-based content is taught in all core subject areas to support our rigorous educational objectives.

One curriculum highlight is our outstanding Junior Reserve Officer Training Corp program. West High School is also the pilot school of AEP Foundation's Credits Count program that gives students the ability to earn up to 30 free college credits.

At West, we work to prepare our students for success after graduation. Through class projects, career shadowing, internships, and advanced coursework, we ensure our students are prepared to succeed in whichever field they choose.

SCHOOL LEADERSHIP:

Daniel Roberts, *Principal*

STUDENT ACTIVITIES/SPORTS:

West offers students a variety of extra-curricular opportunities. These include drama and vocal performances, student achievement celebrations, spirit week, National Honor Society, Student Council, JROTC, STEM Club, class and career field trips, pep rallies, and a robust athletic program.

FAMILY SUPPORT AND RESOURCES:

- Family Ambassador
- Guidance Counselor
- Psychologist
- School Nurse

COMMUNITY PARTNERSHIPS:
