SCHOOL VISION: Hubbard Elementary provides a peaceful, respectful, and child-centered environment where all children can learn. Each student learns through scaffolded lessons and all are encouraged to participate in classroom discussions which show growth and knowledge in all content areas. Through the internationally focused problem based learning, students will gain a global understanding of cultures of the world and the importance of each of us as an individual within our ever-changing world. This way, children learn to think and act critically, creatively, and collaboratively.

DRESS CODE: Hubbard students do not wear uniforms, but dress should be in accordance to the dress code of Columbus City Schools. More information can be found on our website.

CURRICULUM: Hubbard follows the district prescribed HMH and Curriculum Associates curriculum.
