SCHOOL MISSION: The Hubbard community exists to educate and build relationships with students in order to discover their learning potential, passion, and purpose.

DRESS CODE: Students are expected to follow the Dress Code outlined in the District's Guide to Student Success.

WHAT MAKES THIS SCHOOL OUTSTANDING:

Nestled in the heart of the vibrant Short North, our school is housed in a historic building that exudes charm and character. We pride ourselves on our deep community roots, hosting unique events like the annual Chinese Lantern Festival that brings together students, families, and neighbors. Our diverse student population reflects the rich culture of our neighborhood and provides a fun and inclusive atmosphere where students can thrive. Each quarter, students embark on exciting field trips that enrich their learning experience and connect them to the world around them.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Hubbard follows the district-prescribed curriculum. We also have a full-time Mandarin Chinese instructor who works with each grade level. Our technology component featuring 1:1 technology ensures students are prepared with 21st century learning skills.

SCHOOL LEADERSHIP:

Kendra McGaughy, *Principal*

STUDENT ACTIVITIES/SPORTS:

Students have the opportunity to participate in countless clubs and groups including, Girl Scouts Seal of Ohio, Girls on the Run, Let Me Run, Rox, Garden Club, and Columbus Chess Academy to name a few.

Hubbard takes advantage of the strong partnerships that Columbus City Schools has to offer. Students take fun field trips to places like COSI, the Columbus Zoo and Aquarium, and Spruce Run. Additionally, Hubbard hosts a Lantern Festival Celebration each year, and welcomes families to school performances, when permitted.

COMMUNITY PARTNERSHIPS:

Hubbard has been adopted by Short North Society and the King Avenue Methodist Church

FAMILY SUPPORT AND RESOURCES:

Family Ambassador: Rita Hallaveld

Our school benefits from committed and active parents and family involvement is encouraged at all times. We would love for you to get involved.
