## WHAT MAKES THIS SCHOOL OUTSTANDING

Columbus City Schools BlendED Program is for Kindergarten through Twelfth grade students who prefer a primarily online learning environment with the periodic option for in-person support, assessment completion and engaging and enriching learning experiences. Students will learn primarily online and benefit from the following.

BlendED is “A School Without Walls”, featuring:

- K - 12
- Full-time teacher support 5 days a week
- Teacher availability during school hours
- Scheduling for families
- A better balance between synchronous and asynchronous time for students
- In person testing, orientation, help sessions and extended learning opportunities

The program is a one-year commitment! Students who enroll in BlendED relinquish their lottery seat and are returned back to their home school by address if space permits the following year.
