**CURRICULUM:** Parkmoor offers a strong curriculum which includes reading, math, language arts, science, social studies, health, art, music and physical education. The Parkmoor staff continues to improve in their ability to teach our students through participating in Teacher Based Teams (TBT'S), where they study student data and make instructional decisions that meet the needs of **EVERY** student. Parkmoor staff is committed to the task of educating students at high levels of achievement in order that they master the demands of the Ohio Learning Standards.

**READING PROGRAM:** For reading at Parkmoor we follow a guided reading program, **INTO READING** published by Houghton-Mifflin which is an instructional approach that involves a teacher; working with a small group of students who demonstrate similar **reading** behaviors and can all read similar levels of texts. Students will become proficient readers and have the ability to apply reading skills to the rigorous thinking expected of them to be successful in the 21<sup>st</sup> century. Our teachers all use authentic texts with modeling and teacher-directed activities drive learning and motivate readers. Students read authentic literary works and informational texts.

**LATCHKEY:** Latchkey services are offered at Parkmoor. This service is provided by the Karl Rd. YMCA. Hours are 7:00a.m. to 8:15a.m. and 3:15p.m. to 6:00p.m.
