SCHOOL VISION: Our vision at Sullivant is to make sure all students achieve a year's worth of growth and are on grade level or above by fifth grade.

SCHOOL MISSION: The Sullivant Community believes that all children can learn and experience success at school. It is our responsibility to facilitate that lifelong learning through challenging, positive and appropriate learning opportunities. When parents and community members join together, student learning and achievement are enhanced.

DRESS CODE: We follow the Columbus City Schools policy related to student dress. This includes no sagging pants, shirts must cover the stomach, no halter or tank tops, no hats, no short shorts, and no flip-flops or open-toed sandals. Appropriate dress is important so that we may support an attitude that is positive for learning.

WHAT MAKES THIS SCHOOL OUTSTANDING

It is expected that each child makes a year's worth of gains for a year's worth of instruction, at minimum. Sullivant looks at each child as an individual and works to help them reach their potential by challenging them to think, as well as by providing intervention based upon their needs. Student success is our priority, and assuring that each child is successfully making academic gains. All Students are treated fairly and with respect. Our students have the opportunity to participate in CAP CITY KIDS, as part of Mayor's after-school learning/tutoring program daily from 3:40 pm - 6:00 pm at the Sullivant Recreation Center.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM

Our curricular areas consist of language arts, math, science, social studies, health, art, vocal/instrumental music, and physical education. All students are provided a chrome book and use computer technology daily. We provide an additional 30 minutes of reading intervention daily in all of our classrooms.

READING PROGRAM: The Literacy Block at Sullivant is a minimum of 2.5 hours. We are focusing on delivering whole group grade level content to all students. Teachers provide extra support to students during small group and intervention time.

STUDENT ACTIVITIES/SPORTS

Back-to-School Activities, winter and spring holiday programs, awards assemblies, Choir, instrumental music and Community for New Directions. field trips, and much more.

FAMILY SUPPORT and RESOURCES

Our goal each year is to increase parent/family involvement. Please contact your child's teacher to volunteer.

COMMUNITY PARTNERSHIPS

We are pleased to have community partnerships with the Franklinton Tutoring Program. This allows us to provide 1-1 tutoring to students in 2nd Grade.
