COMMUNITY: Region 3 - Central

EMAIL: trevittes@columbus.k12.oh.us

SCHOOL MISSION: We aim to provide a welcoming atmosphere in a safe learning environment that promotes academic excellence through a health science focused curriculum.

DRESS CODE: Students are expected to come to school in the school uniform each day. The uniform consists of black, white, light blue, navy blue or yellow polo style shirts, with black, navy or khaki bottoms (pants, shorts, skirts or skorts).

SPECIAL LEARNING OPPORTUNITIES/CURRICULUM

Trevitt is one of six Health Sciences Academies in the district. Students enjoy a strong curriculum in reading, writing, math, social studies, art, music and physical education, employing the Columbus City Schools (CCS) Core Instructional Framework with an overarching focus on health sciences.

LITERACY PROGRAM: Trevitt uses the Elementary English Language Arts Framework for CCS. The focus is on word recognition, language comprehension, instructional practice, text complexity and text evidence. We use the HMH Into Reading resource combining high quality texts with engaging reading and writing workshops to strengthen critical skills needed to build literacy fluency and prepare students for the challenges of progressive grade level standards and Ohio's State Tests (OST).

MATH PROGRAM: Trevitt uses the Ready Ohio Mathematics creating a rich classroom environment in which students at all levels become active, real-world problem solvers. Through teacher-led instruction, students develop mathematical reasoning, engage in meaningful discourse, and build strong mathematical habits. The program's instructional framework embeds Standards for Mathematical Practice, builds on students' prior knowledge, incorporates a classroom mathematics routine and prepares students for the challenges of OST).

STUDENT ACTIVITIES/SPORTS

Trevitt Morning News Crew (TMNC), Red Ribbon Week, Ohio Right to Read Week, Student Council, Championship Step Team, Student Safety Patrol, Treaty Boys' Basketball Team, Students Exploring Ecosystems Dynamics (SEEDS) for 5th graders through Metro Parks, Choir and Musical Concerts.

SCHOOL LEADERSHIP

Keisha Fletcher-Bates
Principal

FAMILY SUPPORT & RESOURCES

Parents and community members offer support through their involvement with Parent University, Meet and Greet, and school-wide activities such as: College and Career Open House Night, 3rd Grade Parent Night, Career Day, Family Literacy Night, Math Night and our quarterly Honor Roll Breakfast.
