**SCHOOL MISSION:** Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community

**DRESS CODE:** Students are expected to follow Dress Code outlined in the District's Guide to Student Success.

## WHAT MAKES OUR SCHOOL OUTSTANDING

The facility, 41,960 sq. ft., was renovated in 2001 to meet the requirements of the Ohio Schools Facilities Commission. All classrooms have computers for students to utilize daily and all classrooms have interactive whiteboards. The Learning Resource Center has a computer lab for students to use on a weekly basis. All mechanical and electrical systems have been upgraded, and air conditioning has been added. The playground is divided into areas for younger and older children and renovated to meet current ADA requirements

## SPECIAL LEARNING OPPORTUNITIES/CURRICULUM

Core subjects, such as language arts, math, science, social studies, health, art, music, and physical education are offered. Woodcrest operates on a year-round school calendar. This year-round calendar includes nine weeks of classes followed by a two-week intersession during which time students may be identified to participate in intervention and enrichment classes.

**READING INSTRUCTION:** Individual academic goals are set for each child to maximize learning. Leveled readers are used in small group instruction daily to meet the needs of our students. Reading interventionists are available to support early literacy skills in K-3rd grade.

**OTHER OPPORTUNITIES:** Special education, and gifted and talented programs are offered. Students will have the opportunity bi-weekly to attend Encore by putting forth an effort to learn and be good citizens during the school day. Woodcrest also offers instrumental music, choir, and other exciting activities.

## STUDENT ACTIVITIES/SPORTS

Woodcrest offers Encore- an enrichment program that allows all students in the building to explore a passion. Students sign up for a course and meet monthly to engage in the area. Encore courses include yoga, cooking, hockey, knitting, photography, robotics, coding, pottery, basketball, etc. It encourages creative thinking and

and problem-solving. All Woodcrest students K-5 participate in Galaxy and remain together during their entire Elementary School experiences. Galaxy helps students learn life skills, including how to deal with oneself, others and relationships, and work in an effective manner. In dealing with oneself, SEL helps in recognizing our emotions and learning how to manage those feelings. In dealing with others, SEL helps with developing sympathy and empathy for others, and maintaining positive relationships. SEL also focuses on dealing with a variety of situations in a constructive and ethical manner.

### **FAMILY SUPPORT & RESOURCES**

Parents are encouraged to be part of the learning process. Woodcrest holds many parent events including two make-it/take-it nights, Math, Reading, choir and band concerts, and back-to-school nights.

### **COMMUNITY PARTNERSHIPS**

Chis neighborhood school offers the community the opportunity to utilize the school facility. The Pine Hills Civic Association and the Yorkshire Community Organization are actively involved with the school along with Story Point. Capital University and COSI are also community partners offering reading intervention and science opportunities.
