Our Vision is All students will perform at or above grade level.

MISSION: The mission of West Broad Elementary School is for all students to have equitable access to grade level instruction so that they become confident, independent learners.

DRESS CODE: The Columbus City Schools' dress code is enforced at West Broad.

CURRICULUM: West Broad curriculum aligns to the Ohio's Learning Standards. The Ohio's Learning Standards stress the knowledge and skills our students will need to attend college, trade school, join the military or start a business. West Broad is a neighborhood school where our focus is college and career readiness by identifying our students' specific strengths and areas of growth and tailoring learning activities to meet their needs.

PARENT INVOLVEMENT: A variety of parent engagement opportunities are available with West Broad. For example, parents can eat lunch with their children (Munch-a-Lunch Day), attend parent coffees activities, or volunteer at school events. West Broad Elementary has an active PTO.

COMMUNITY PARTNERSHIPS: Huntington National Bank, Upper Arlington Rotary, CATCO is Kids, Linworth United Methodist Church and Rock City Church are generous supporters who provide numerous activities and resources for our students.

WHAT WE DO FOR FUN: To encourage a positive climate, students can earn West Broad Bucks for following the West Broad Pledge. Students save their earned money and spend it at our West Broad School store once a month. Store items range from erasers and school supplies to special lunches with teachers and other events. In partnership with Huntington Bank, students can open a savings account at the school and contribute to their account monthly. Our fifth grade students attend a three-day camp at Camp Oty'okwa in the spring and fourth grade students participate in the Phoenix Theatre performing arts program where they write, design props and perform plays. In addition, students in every grade level go on various learning trips throughout the school year.

ACTIVITIES: Chess club, Student Banking, Girls group, choir, percussion ensemble, Reading Buddies, STEM Night, Literacy Night, International Day, Spelling Bee, Science Club, Etc. (some events are on every-other-year rotations).

WHERE WE ARE LOCATED: On the west side of town, on the corner of West Broad Street and Hague Avenue.

ABOUT OUR STAFF: Approximately 67% percent of our teachers have their Master's degree and more than 15 years of teaching experience.
