

Whetstone HIGH SCHOOL

ADDRESS: 4405 Scenic Drive, Columbus, OH 43214

WEBSITE: ccsoh.us/WhetstoneHS

PHONE: 614-365-6060

SCHOOL VISION: One hundred percent of all students will establish their own pathway to success beginning as freshman through their senior year.

SCHOOL MISSION: We exist to provide an inclusive, high-quality education to equip students to become independent thinkers, lifelong learners, and to take ownership of their own future success in a global community.

DRESS CODE: Appropriate attire is expected in accordance to the District's Dress Code Policy as stated in the Guide to Student Success.

COMMUNITY: Region 4 - Northwest

EMAIL: whetstonehs@columbus.k12.oh.us

WHAT MAKES THIS SCHOOL OUTSTANDING:

Whetstone High School prepares students for what's next. Each year, our senior classes leave earning over millions of dollars in scholarships and more than 60% heading to college. Students get a jumpstart on their future through College Credit Plus, Junior Jumpstart, Seniors to Sophomores, and Credit Counts, all supported by caring teachers and strong community partnerships.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Comprehensive high school with college prep emphasis and advanced placement offerings. Twenty percent of our student body participates in a career center program. Our special emphasis is math, science, technology, and foreign language with eight advanced placement classes, College Credit Plus, American Sign Language, psychology, sociology, history, and computer science.

STUDENT ACTIVITIES/SPORTS:

Whetstone High School is full of energy and traditions. Students take part in Spirit Week, Friday hall marches, school dances, and pep rallies. From field trips along the Olentangy River to theater productions, Poetry Out Loud, and Night of Culture, there's always something happening. Students also enjoy clubs, sports, guest speakers, and even language trips abroad.

Whetstone offers something for everyone, National Honor Society, student government, drama, music, athletics, and clubs like Key Club, SAGA, Mock Trial, and Chess. Students also join award-winning music groups, the school newspaper, and cultural, academic, and service organizations.

FAMILY SUPPORT AND RESOURCES:

Whetstone thrives on strong family and community connections. Parents play a hands-on role in school life through our spirited Athletic Boosters, dedicated Music and Arts Boosters, and an active PTA.

COMMUNITY PARTNERSHIPS:

Whetstone students thrive through a powerful network of Columbus City Schools community partners. With access to COSI, the Columbus Zoo and Aquarium, and many more, learning goes far beyond the classroom. I Know I Can connects students with real-world work experiences, college internships, and life-changing scholarships. Dynamic partnerships with The Ohio State University and Columbus State Community College allow students to earn college credit while still in high school—preparing them for the future with confidence and opportunity.

SCHOOL LEADERSHIP:

Kimberly Rodriguez, *Principal*
