ABOUT WALDEN: Woodward Park at Walden is the only building in the District that is dedicated to the 6th grade. Teachers at this building have extensive experience in teaching the sixth-grade curriculum and have a strong desire to help students transition successfully from elementary to middle school. Woodward Park at Walden (W@W) offers all the same outstanding programming as Woodward Park Middle School, but tailors this programming so that it is effective for 6th grade students.

WHAT MAKES THIS SCHOOL OUTSTANDING:

Woodward Park is one school, but two buildings. All seventh and eighth-grade students attend Woodward Park, the Big Park, and sixth graders attend Woodward Park at Walden, or the Little Park.

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM:

Woodward Park offers a diverse curriculum that includes mathematics, English, social studies, language arts, Integrated math I, Spanish I, and II, Heritage Spanish, French I and II, science, coding, computer applications, introductory engineering, art, physical education, vocal and instrumental music, and programs in special education. Courses may be offered to select grade levels for high school credit. We also offer gifted and talented programs for students who qualify.

Both campuses offer tutoring and remediation for our students called Mastery Academy. We offer programs such as iReady to monitor progress, reading intervention programs, and other programs to meet the needs of the students.
