Message from Dr. Milligan

The countdown begins! In 2 weeks, on September 8th, students will begin their 2020-2021 school year virtually. Teachers began their professional development series today and will be learning some new and innovative ways to teach on a virtual platform. We are excited to see our students virtually and get started!

Chromebook Distribution

Chromebooks are being delivered to Briggs this week and will be processed for distribution next week. We will distribute Chromebooks from Briggs on Thursday, September 3rd from 8am to 4pm. We will follow all CDC guidelines which require everyone to social distance and wear a mask. Students must have a parent or guardian with them to sign out a Chromebook and both will need to sign the Chromebook agreement form.
