RMS Permission Slip to Consume Food & Snacks during the School Day for Special Occasions

Throughout the course of the school year your child may have the opportunity to consume food and/or snacks during the school day for special occasions (i.e. honor roll recognition, school-wide and/or classroom incentives, etc.). In order for your child to consume any food other than the food provided/brought in for breakfast and lunch during the school day your child will need a permission slip on file in the office. Please fill out the information below and return it to the school office.

Please note: Parents and guardians will be responsible for educating their students about allergy management at school. Allergy management and education includes, without limitation, identification of "safe foods" by reviewing together breakfast and lunch menus and discussion of the vigilance required to self-monitor food products available at other school functions and in school vending machines. (CCS Guide to Student Success).
